I DONT WANT TO GET UP. I DONT WANT TO GET DRESSED. I DONT WANT TO WAIT FOR THE BUS.
I DONT WANT TO GO TO SCHOOL. I DONT WANT TO LISTEN TO THE TEACHER.
I DONT WANT TO STUDY
I DONT WANT ANY TESTS
I DONT WANT ANY HOMEWORK.

i'm confused about the word"PUNK".i see it in Vogue,MRR,The Plain Dealer,Sassy,zines too numerous to name,T.V.Shows,and it means something different to everyone.punk means Mtv bands?punk means i do what i think is right?punk means i drink lots of beer and own a leather jacket?punk means i'm non-violent?punk means "grunge©"?--i'm just saying i don't like the way the mass media has trivialized the word into a marketable trend.why not tear it apart & separate their bullshit from our ideals and rename it.name it something new,something they are forbidden to touch.how about"FUCK"or"SHIT"because they can't use these words.they're not allowed.their laws and morals won't let them. fuck, shit, fuck, shit, fuck, shit, fuck, shit, fuck

i like going to shows.i like seeing bands play and i like meeting new people.i don't like having to pay ten dollars to see jawbox play and knowing that somebody there is making too much money.i'm not seeing kenny rogers or cher at the coloseum.seeing money and music connect can make me sick.especially when it's our music . the angry kids music.angry kids can do anything.i'm an angry kid and i want to change things .i want to start a cooperatively run place for music(among other possible things).nonprofit . extra money made would make zines and records, not buy jewelry,drugs,and cars.(not that i'd expect to make extra money)this is just an idea and i want to know what you think,so let me know. fuck. shit. fuck. fuck. shit. fuck. shit. fuck. shit ...

Exclusivism is wrong. Exclusivism for immutable traits (such as pigmentation, gender, sexual preferance, height, weight, age, etc...) is unacceptable. i won't accept exclusivism, ever.

Love,
Dan

Volume:every show i've ever been to has been loud.sometimes it has been so loud that no s ound is distinguishable from the uniform sta tic hiss.sometimes this is good.sometimes it is understandable.sometimes it's just silly nonsense. and nobody ever breaks tradition.
